

COVID-19 Patron Screening Poster

All patrons must self-screen before entering this location.

Updated Sept 22, 2021

1. Do you have any of the following new or worsening symptoms or signs?

Fever or chills

Cough

Trouble breathing

Decrease or loss of taste or smell

Nausea, vomiting or diarrhea
(age <18 only)

Very tired, sore muscles or joints*
(age 18+ only)

If you have an existing health condition that gives you the symptoms, select "No," unless the symptom is new, different or getting worse.

*If mild tiredness, sore muscles or joints occur within 48 hours after getting a COVID-19 vaccine, select "No" and continue to follow all public health measures. If symptoms last longer than 48 hours or worsen, select "Yes".

2. Has a doctor, health care provider, public health unit, or Canadian Border Services Agency told you that you should currently be isolating (staying at home)?

Yes

No

- This can be because of an outbreak, contact tracing, or travel outside of Canada in the last 14 days.

3. Do you live with someone who has been told by a doctor, health care provider, or public health unit that they should currently be isolating?

Yes

No

- If you are **fully vaccinated**** or have tested positive for COVID-19 in the last 90 days and since been cleared, select "No."

If "YES" to any questions above:

Do not enter this location

Follow Toronto Public Health advice

Developed in accordance with recommendations and instructions issued by the [Office of the Chief Medical Officer of Health](#)

**Fully vaccinated means 14 days or more after a second dose of a COVID-19 vaccine series, or as defined by the Ontario Ministry of Health.
